**Tools**: Microsoft Office Suite

## Projects

**RHA Office Hours Tracker** | *Web Application, Independent Development Project* — Aug 2026 – Present
- Designed and deployed a live time-tracking web app for **11** executive board members across **9** positions, cutting the end-of-week hour calculation from **5–7 hours to 10 minutes** (∼**97%** reduction) with PIN-based check-in/out, real-time session timers, and automated weekly tallies.
- Built a Postgres backend (Supabase) with security-definer RPC functions, bcrypt-hashed credentials, and row-level security policies to ensure safe, role-restricted data writes across a multi-user team.
- Implemented live data sync via real-time subscriptions, eliminating full-table rewrites and improving performance over a prior spreadsheet-based system; added CSV export and week-by-week navigation for administrative reporting.

**SAiD Institute Strategic Partnership** | *Capstone Project, University of Houston* — Sept 2025 – Nov 2025
- Designed SAiD Institute's year-long organizational structure built on **4** quarterly cycles and **24** scheduled initiatives covering programming, grant applications, donor engagement, and partnership outreach, addressing **5** identified gaps including inconsistent funding and limited donor engagement.
- Researched sustainability models used by cultural nonprofits and recommended **4** revenue streams (educational workshops, art showcases, book clubs, and membership-based revenue) to strengthen long-term resilience.
- Collaborated with a cross-functional Bauer team to build a strategic framework integrating funding pipelines, partnership development, digital engagement strategies, and impact-tracking systems for SAiD's growth.

## Work Experience

**Sales Associate** — Jan 2026 – Present
*Wazobia Market* — *Houston, TX*
- Process **100–150** transactions per shift totaling approximately **$10,000** in daily sales across produce, packaged, and mixed taxable/non-taxable orders, operating POS and credit authorization systems during peak store hours.
- Resolve customer returns, pricing disputes, and escalated complaints independently at the register; apply daily price changes and promotional pricing by processing customer loyalty point redemptions at checkout to ensure accurate order totals.
- Maintain sole custody of a cash drawer handling up to **$1,000** in cash tenders per shift, reconciling open and close counts with **zero** cash shortages while applying manual rounding adjustments to prevent cumulative drawer drifting.

## Leadership Experience

**Vice President of Administration** — Apr 2026 – Present
*University of Houston, Residence Hall Association (RHA)* — *Houston, TX*
- Coordinate General Assembly, Roundtable workshops, operations, and events serving **9K+** students on campus, organizing agendas, legislation, and communications across **49** hall council members.
- Manage and maintain a centralized records system (minutes, attendance, legislation), ensuring data accuracy, accessibility, and organizational continuity within the Board and Hall Council.
- Serve as liaison between RHA, campus departments, and student organizations, supporting executive decision-making and coordinating leadership operations.

**Hall Council Administrator** — Sept 2025 – Apr 2026
*University of Houston, Residence Hall Association (RHA)* — *Houston, TX*
- Coordinated and documented **30+** hall council meetings, events, and initiatives to ensure consistent operations.
- Oversaw event logistics (budgeting, scheduling, resources) for **14+** residence hall events serving **1.2K** Quad residents.
- Maintained records, reports, and photo documentation, creating a reusable archive for future councils.

**Honors Lead** — Sept 2023 – May 2025
*Lone Star College-CyFair, Honors College Leadership Program (HCLP)* — *Cypress, TX*
- Hosted **15+** student-led workshops and forums that focused on student development and engagement.
- Mentored peer apprentices and worked alongside **9** lead partners as a liaison between students and faculty.
